Description: Throughout time, from ancient Rome to modern Britain, the great empires built and maintained their domination through force of arms and political power. But not the United States. America has dominated the world in a new, peaceful, and pervasive way -- through the continued creation of staggering wealth. In this authoritative, engrossing history, John...

Review: this book is very nationalistic and pro-america in the phrasing. which made me want to stop reading instantly and i couldnt take some things seriously. there were some claims about america that were made in the book that were just included and unexplained while things that is common knowledge to most people were given detailed summaries....
